Dear Associates and Friends,

We would like to invite you to participate in our new Marshfield substance abuse prevention coalition and to join us for the coalition's next meeting:

July 13th, 7:00 p.m.

Seth Ventress Building

76 South River Street

Marshfield, MA

This will be the third meeting of the coalition, which engaged nearly 75 residents during its first two meetings. The coalition members include concerned parents, educators, clergy, law enforcement, mental health and substance abuse professionals, youth, and people in long term recovery.

A community coalition is only as strong as its membership. The effort's success in protecting our community from drug addiction depends on having representatives from every part of the community, including local agencies.

The next meeting will focus on developing the coalition mission and creating a project plan for the coming months. Over the long term, we will work together to understand our local substance abuse issues, grow community awareness of prevention, and implement targeted programs that help our youth avoid substance abuse. Any type of participation is appreciated.

We hope to see you on July 13th. If you have any questions, please contact the Board of Health Office at 781 834-5558, or reach out to Jen Cantwell at jtuckercantwell@yahoo.com.

Sincerely,

Gerald J. Maher, Chairman

Tyler W. Nims, Vice-Chairman

Mark W. MacDonald, Clerk
